THE LEVANTE PARLIAMENT

Your meeting at the exclusive Designhotel

Situated in the heart of Vienna, you will find one of the most beautiful Design Hotels of the city. The modern interior design of the Hotel „The Levante Parliament” combines high quality wood, stone and glass with indirect lighting to create an uniquely relaxing atmosphere. Most rooms are situated towards the 400 sqm courtyard, offering a very rare luxury in Vienna’s metropolitan bustle: Even with the windows open you will find yourself in a complete quiet surrounding.

The beautiful courtyard is a Highlight of its own and an oasis of tranquility. Completely separated from the noise of the bustling city you’ll find a relaxing lounge ambience, complete with bar, water basin and soft stuffed seats. Furthermore the Hotel functions as well as a Gallery and exhibition space of the internally-known Glass Artist loan Nemtoi. Guests can admire his glass objects in the whole Hotel and he lent his name as well to the NEMTOI Restaurant-Bar.

Our two redesigned Meeting rooms are situated on the ground floor with an access to our courtyard via the reception. The main meeting room offer daylight with view to our 400sqm courtyard, air condition and wireless-lan High speed internet access for free in the whole meeting area.

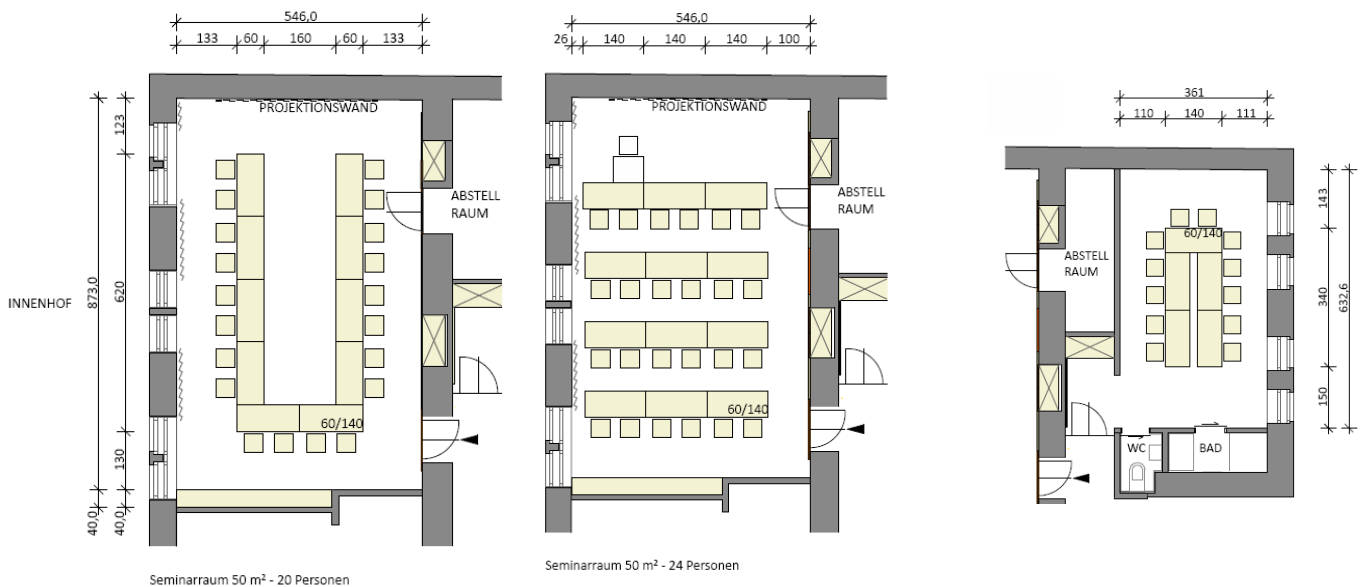

According to the size of your event, we gladly advise you with the optimal selection of the following seating types:
