The Five Hotel

THE LEVANTE PARLIAMENT

Auerspergstraße 9, 1080 Vienna, AUSTRIA

The hotel is located centrally behind the city hall and parliament and has 70 rooms and suites. The hotel was built in the then prevailing classical modern style and is being continued and redesigned with the existing linear and modern architectural elements. Among other roles, the hotel acts as a gallery and offers its guest an exclusive glass exhibition by international artist Ioan Nemtoi, as well as an unusual and breathtaking art photo series. The rooms are modern and linearly designed and, in addition to the best technology, also have an exclusive designer bathroom. In the extravagant Nemtoi Restaurant the culinary creations of top chef Bernhard Laimer are in the focus. The fitness centre and sauna provide relaxation after business appointments or strolls through the city.

THE FIVE HOTEL

3, rue Flatters - 75005 Paris, FRANCE

Hotel "The Five" is located in the Latin Quarter, where students and artists have been forging an intellectual and creative environment since the 1920s. One can also sense this atmosphere when entering the hotel. Ultra-modern lacquer decorations by award-winning artist Isabelle Emmerique on the walls, light sculptures on the ceiling and a fire-red fireplace lend the reception area its magical aura. The bright red staircase and the lift styled in retro look even come across as somewhat sexy. The rooms are intimate and, with much feeling for form and material, suspended beds (photo), colours out of 1001 nights and a personally selected room scent, convey a feeling of peace and quiet.
